RE: Granite Telecommunications, LLC Title 26 Delaware Code, Chapter 1, Subchapter VII-A¹
§704 Rate Election

Dear Ms. Bentley:

Pursuant to Title 26 Delaware Code, Chapter 1, Subchapter VII-A §704 and the Delaware Public Service Commission's ("Commission") July 31, 2013 Letter regarding enactment of the Telecommunications Technology Act, Granite Telecommunications, LLC ("Granite") notifies the Commission of its election to detariff its retail telecommunications rates. In light of Granite's election, the Company withdraws its Delaware retail local exchange tariff, Delaware P.S.C. Tariff No. 3, and interexchange tariff, Delaware PSC Tariff No. 2.

Granite provides services exclusively to larger commercial subscribers under service agreements, which set forth service rates, terms, and conditions. These service agreements and the ongoing relationship between Granite account managers and their customer accounts obviate the need to maintain retail tariffs as the basis for establishing rates, terms and conditions for Granite's competitive services, in light of the amendments to Title 26 Delaware Code Subchapter VII-A, resulting from enactment of the Telecommunications Technology Act. Granite's switched exchange access tariff, Delaware P.S.C. No. 2, is unaffected by this election.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
